SUMMARY:

Areas for further growth:

Taylor continued to impress with her PSI practicum. The area she could continue to work on is question asking skills. - Use your Blooms Taxonomy guide -

Overall comments (Strongest aspects of student's performance):

Taylor was the strongest PSI student I've ever had in my classroom. She was not only strong in her major but I was impressed with her skills in other subjects. Taylor was professional and volunteered for extra curricular activities. She took on a leadership role in our Christmas concert. It was a privilege having her as a PSI student! Her future teacher associates are very blessed for having her in their class.

Recommendation: Pass Fail Incomplete*
